Taking Your Hepatitis C Therapy: Epclusa®

Sofosbuvir/Velpatasvir = Epclusa®

- Dose: 1 tablet (400/100 mg) daily, taken at the same time each day.
- Epclusa® comes in a bottle (28-day supply) or in blister packs (1 pill per day).
- This can be taken with or without food.
- Inform your provider of all other medicines, supplements or over-the-counter products you take.
- Store at room temperature (under 86°F).
- Acid reducing medicines can reduce the effectiveness of Epclusa®; discuss with your provider.

Medication Schedule

Start Date: _____ End Date: _____

Expected Treatment Duration: ____ weeks Test for Cure Date: _____

Time: _____ AM / PM

Epclusa®: Take 1 tablet daily.

If You Miss a Dose:

- Do not stop taking Epclusa® without talking to your provider first.
- If you travel or go to another hospital, take your medications with you.
- Take the missed dose on the same day as soon as you remember. The next day, take your Epclusa® dose at your regular time.
- Do not take more than 1 dose of Epclusa® in a day.
- If you miss multiple doses, call your prescriber/clinic listed below for guidance.
